A GREAT AMERICAN STORY.

Merillat Cabinetry started in 1946 with Orville and Ruth Merillat. It began with Orville making cabinets by hand, and through decades of innovation, growth, and never-wavering commitment to the customer, it became the #1 cabinetmaker in America.

We continue their legacy by offering products that are stylish, functional, and built exceptionally well—all delivered quickly, one kitchen at a time. We are thankful that you are considering Merillat as your solution. We will not let you down. “We are America’s Cabinetmaker.®”

CONSTRUCTION

BASE CABINETS

1. Constructed for daily use ($\frac{3}{8}$ " thick end panels attached with wood-to-wood glue and staples)
2. Moisture resistant (natural woodgrain laminate interiors)
3. Strong and sturdy frames ($1\frac{1}{2}$ " wide front, $\frac{3}{4}$ " thick, solid wood)
4. Reinforced components ($\frac{1}{4}$ " thick engineered wood back extends all the way to the floor for added strength to reinforce back corners of the cabinet)
5. Base Hangrails are $\frac{1}{4}$ " thick engineered wood full-length across top secured with staples
6. $\frac{3}{8}$ " thick engineered wood I-beams hold cabinet square and are dadoed into the side panels
7. $\frac{1}{2}$ " thick engineered wood drawers feature natural woodgrain laminate interiors
8. $\frac{3}{4}$ " extension, self-aligning white drawer guides are side-mounted and hold up to 75 lbs.
9. Solid hold under-shelf support (locking shelf clips hold shelf securely; cabinets 33" and wider have support cleats as shown)
10. Strong shelves ($\frac{1}{2}$ " thick engineered wood; natural woodgrain; require no shelf paper)

OPTIONAL UPGRADES

- Increased or reduced depth options
- Frame Only doors
- $\frac{5}{8}$ " thick solid wood dovetail drawers with soft-close action under-mount glide system

Warranty: Three Year Limited.
