CUSTOM MILLWORK SOLUTIONS

Hines Supply has been manufacturing top quality interior and exterior mouldings and millwork since 1892 and is the leading supplier to professional builders, remodelers and architects in the Chicagoland's market. Our high-quality, custom creations include mantels, cubbies, boot benches, bookcases, as well as other decorative components and specialty items.

With a state-of-the-art facility we can create any type or style of millwork with consistent quality. We feature hundreds of architectural profiles and also have the capabilities to replicate any product to your exact specifications. We work with only the finest hardwoods to ensure beautiful, long-lasting pieces and are proud to be featured in some of the finest homes in the area.

We've built our reputation on taking the details seriously—the details that add value to your projects and set you apart from the rest. You can count on our attention to detail, craftsmanship and an unwavering dedication to customer satisfaction from concept to creation.

**Let Hines build some custom
features for your home!**

Working with the craftsmen in our Millwork Shop means unlimited options for you. We can build your high-end, custom pieces out of Oak, Pine or Poplar and ready for your choice of finish. We ensure accurate and consistent millwork to your exact specifications. Whether you are looking for inspiration and design solutions or already have a vision, our team of experts can help integrate functionality and fashion into any new construction or remodeling project.

MANTELS, SURROUNDS & SHELVING

One of the benefits of working with the pro's in the Hines Millwork Shop is our capability to craft mantels, surrounds and shelving to your exact specs and needs. In addition to our custom capabilities, we also have an extensive library of stylish designs to choose from, creating a focal point for any room in the home.

BOOT BENCHES

The classic boot bench is the perfect piece of furniture to bring style, seating and storage to your entryway or mudroom.

CUBBIES

Cubbies are an attractive, organization option to help keep your home clutter free. We can craft tall, wall or custom cubbies, with your choice of material, color, depth, height, width and number of shelves. We create storage solutions built around your families lifestyle and needs.

BOOKCASES

Make a statement with our custom crafted bookcases. Our craftsman can product the perfect fitting centerpiece for family rooms, bedrooms, dens, home offices and more.

MUDROOM PANELING

Add the finishing touch to any mudroom or entryway with beadboard panel. We can customize the paneling to match any interior décor with floor to ceiling coverage.
